Subject: v. [REDACTED]

Hi Magali-

Just letting you know that I received your summons for the [REDACTED] case scheduled for trial on April 4, 2011, but I may have a conflict as I already have cases scheduled in Springfield and Northampton that day. According to the ADA, the Springfield case will likely be a plea. I haven't heard anything recently from the ADA in Northampton, but I will try to find out more about the status of my case there and keep you informed of any changes. Thanks.
